

engineering_ architecture & design

by STC group

The design and construction firm was founded by Salvatore Contarino in February 1978 in Giarre (Sicily Island). The Team has high skill and important experience especially in public and private sphere and urban plans. The orders come from local governments and private investors for any kind of projects. During these years the design and construction firm has gained experience in national and international spheres and it is able to make real all customer wishes.

Who We Are

Our skilled and competent team always follows the project in every single phase, from the concept to the realization and takes care of his customers. The team pays specific attention to quality, materials and delivery, ensuring the respect of Italian style.

Some members:

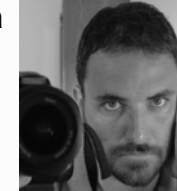

Eng. Salvatore Contarino
Director
Administrator
Business Developer

Eng. Eugenio Contarino
Project Manager
HSEQ Manager

Eng. Leonardo Sciacca
Structural Engineer
Site Engineer

Arch. Mario Bonaccorso
Architect
Interior Designer

Arch. Giuseppe Sciuto
Architect - Planner

Surv. Salvatore Marcoletti
Surveyor - Topographer

Geol. Salvatore Arangio
Geologist

Surv. Alfio Conti
CAD Operator - Site Surveyor

Eng. Giuseppe Castro
Designer - Site Engineer

Eng. Francesco Garufi
Construction Manager

Eng. Arash Beikjazani
Structural Engineer
Site Engineer

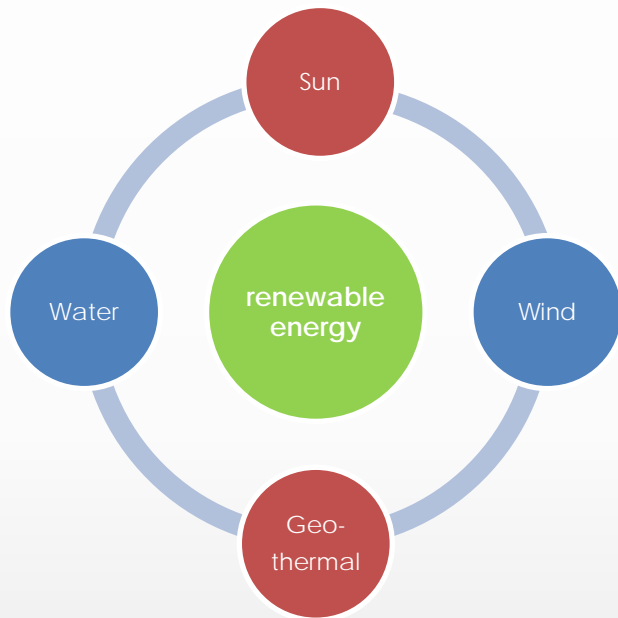

Our Vision

Everyone will have the house of its dreams, the house of the future. An High tech house that respect at the same time the environment, thinks about the energy efficient and ensure comfort inside and outside the living space.

Our Mission

We engage with perseverance to ensure the high quality of the work, choosing the best building materials, furniture and design made in Italy. We ensure the delivery of the project on time. Our skills and knowledge grow more and more to satisfied as best we can the customer wishes.
